

## CHPS Verified and CHPS Verified Leader Fees

### Fee Deadlines

- **Registration Fee:** Paid at time of project registration, 60 days after invoicing maximum.
- **Design Review Fee:** Paid at time of submission of documents for review, 30 days after invoicing maximum.
- **Construction Review Fee:** Paid at time of submission of documents for review, 30 days after invoicing maximum.

All fees need to be received by CHPS Staff by the deadlines outlined or the project will be archived. If the project is archived, a \$500 fee will be charged to renew the project.

### Registration Fees for All Projects

CHPS Members	\$900
Non-Members	\$1,250

### Review Fees

Project review fees are based on project type and verification level sought.

Effective August 8, 2019, the same fee structure applies to all states (former Hawaii fees no longer apply).

Applicable to projects registered after December 31, 2014.
